## 海天峰

### 北角

Located at 35 Cloud View Road, the Sky Horizon luxury residential development's elevated position is optimal for views over the harbour and waterfront districts. 108 residential units are housed at the development with typical three-bedroom homes laid out two-per-floor in both of the tower blocks and four duplexes are located at the uppermost floors.

The towers are placed above a podium housing 25,000 sq ft of clubhouse facilities. An outdoor swimming pool, children's pool, Jacuzzi, sauna, sun deck and children's play area are located on the sixth floor podium roof level. The seventh floor offers

additional clubhouse facilities including a barbecue area, a function and banquet room, a multi-purpose room and wine cellar, a children's play room and a gymnasium. Car parking areas are located on five levels within the podium.
